🌟 Now Hiring: Science Teacher (Grades 6–12) 🌟

Christian American School of Guatemala (CAS) is seeking a dedicated 6–12th Grade Science Teacher to join our academic team. Our curriculum is based on the Next Generation Science Standards (NGSS). At CAS, we value all branches of science -from Physical Science and Life Science to Biology- while preparing our students for university and their future careers.

✨ Why CAS?
- Teach engaged students in a supportive environment
- Be part of a school that emphasizes academic rigor and student growth
- Help shape the next generation of leaders in science

📍 Life in Zone 8, Guatemala City
- Central Location – Access to the city center, malls, grocery stores, and restaurants.
- Transportation Options – Public transport and main roadways nearby.
- Affordable Cost of Living – Comfortable housing provided with all utilities and internet included. Everyday expenses such as food and clothing are budget-friendly.
- Cultural Opportunities – Enjoy Guatemalan cuisine, traditions, and warm hospitality.
- Weekend Adventures – Just a few hours away from Antigua, Lake Atitlán, and Pacific beaches.

✅ Seeking Qualifications:
- Passionate about teaching science
- Bachelors degree in one of the scientific fields (preferred)
- Ability to plan and implement lessons for 6–12th grade science
- Strong communication skills with students, parents, and colleagues
- Ability to maintain a safe and healthy classroom environment
- Native English speaker
- Teaching certification or licensure (preferred)
- Experience using classroom technology (preferred)

🎁 Benefits:
- Competitive monthly salary
- Housing provided (utilities included)
- 3 paid personal days + holidays
- Accident insurance
